CONFIDENTIAL/PRIVILEGED FACSIMILE COMMUNICATION

The information contained in this facsimile transmission is confidential and intended for this addressee only. If the reader of this message is not the addressee or addressee's agent, you are hereby advised that any dissemination, distribution or copying of this information in this transmission is strictly prohibited.

If this information has been disclosed to you from records protected by federal confidentiality rules (42 CFR part 2), the federal rules prohibit you from making any further disclosure of information in this record that identifies a patient as having or having had a substance use disorder either directly, by reference to publicly available information, or through verification of such identification by another person unless further disclosure is expressly permitted by the written consent of the individual whose information is being disclosed or as otherwise permitted by 42 CFR part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose (see § 2.31). The federal rules restrict any use of the information to investigate or prosecute with regard to a crime any patient with a substance use disorder, except as provided at §§ 2.12(c)(5) and 2.65.

If you receive this fax in error, please call us immediately upon receipt and return the facsimile documents to us by first class mail. Your postage will be reimbursed. Thank you for your cooperation.
