**TO:** Practice Administrator / Billing Manager  
**ATTN:** BANCROFT FAMILY CARE, P.A.  
**DATE:** January 26, 2026  
**RE:** 2026 CMS APCM Billing Code Activation (G0556-G0558)  
**STATUS:** ENROLLMENT INQUIRY

**To BANCROFT FAMILY CARE, P.A.:**

Effective January 1, 2025, CMS introduced **Advanced Primary Care Management (APCM)** codes (G0556, G0557, G0558) for independent primary care practices. These codes replace the old time-tracking CCM model with status-based billing.

**Quick Question:** Is your practice in **WILMINGTON, DE** currently billing these codes?

**The Challenge:** CMS requires "24/7 Access to a Care Team" for APCM billing. Most independent practices cannot meet this requirement with current staffing.

**Our Solution:** Tile Health provides an AI-powered 24/7 clinical triage layer that satisfies the CMS mandate. This allows you to begin billing APCM codes without hiring staff.

**Key Benefits:**

- Revenue: \$60–80 per eligible Medicare patient/month
- Zero staff hiring required
- Zero setup cost
- Full CMS compliance and audit trail
- Integration in under 24 hours

**Next Step:** We're scheduling 15-minute eligibility assessments this week. To discuss implementation for your practice, please contact our team.
