FAX TEST PAGE

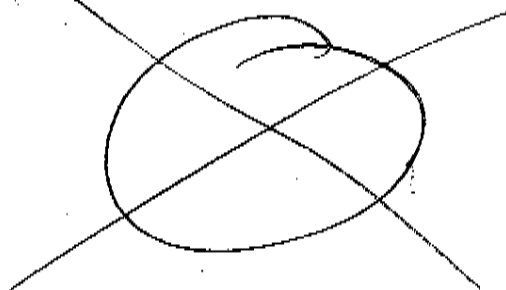

To: _____

From: _____

Fax #: _____

Date: _____

Number of Pages (including this): 1

**FAX TEST TRANSMISSION**

This page is being sent to verify proper operation of a facsimile transmission system. If you have received this page clearly and completely, your fax machine is functioning correctly.

Please review the page for:

- Legibility
- Image clarity
- Text sharpness
- Alignment
- Proper page margins
- Absence of distortion or streaking

If any part of this page is missing, faded, skewed, or unclear, your fax machine may require maintenance, cleaning, or recalibration.

Sample Text Block

The quick brown fox jumps over the lazy dog.

This classic sentence uses every letter of the English alphabet and is commonly used to test printing and scanning quality.
