CONFIDENTIALITY NOTICE:

Information contained in this transmission to the named addressee is proprietary information. Any Protected Health Information (PHI) contained in this transmission including all attachments is confidential. PHI contained in this transmission belongs to the organization sending the data and is legally privileged. PHI is intended only for the use of the individual or organization identified as the recipient. The recipient of PHI is prohibited from disclosing, copying, distributing or using the information except as permitted by current law governing privacy of information issues. Such PHI must be destroyed after its stated need has been fulfilled, or in accordance with a properly executed Business Associate Agreement, unless otherwise prohibited by law. If the recipient of this transmission is not the named addressee, the recipient should immediately notify the sender and destroy the information transmitted without making any copy or distribution thereof.
