

UPCOMING EVENTS

**ALLEGHENY
LAND TRUST**

OCTOBER - DECEMBER 2025

AARP 50+ Walking Series

OCT 3 | 9 - 10:30 am | Migratory Bird Count @ Wingfield Pines

OCT 24 | 5 - 6 pm | Haunted History @ Dead Man's Hollow

Geared for those ages 50 and up, we will walk ALT lands over moderate terrain and short distances, taking plenty of breaks to stop and learn about our local flora and fauna. Sponsored by AARP Pennsylvania.

Mysteries of the Mounds: Hike to Expand Dead Man's Hollow

OCT 4 | 10 am - 12:30 pm | Dead Man's Hollow

Take a walk exploring the "mysteries of the mounds", the local flora & fauna, and the area's history. We'll also discuss efforts to expand the Hollow by preserving land along the GAP & Youghiogheny River! Proceeds support the conservation effort.

Meyer Farm Tour & Apple Picking

OCT 7 | 3 - 4 pm or 5 - 6 pm | Meyer Farm

Join us for a tour of ALT's farm property Meyer Farm to learn its history and vision for the future. After the tour, participants will each pick a small basket of fresh apples from the farm's apple trees. NOTE: ability to pick apples is dependent on weather and apple ripeness and availability on the day of the program.

Webinar Series

OCT 8 | 5 - 5:45 pm | Science of Spiders

OCT 22 | 5 - 5:45 pm | Nature's Vampire & Zombies

NOV 5 | 5 - 5:45 pm | Turkey Talk

DEC 3 | 5 - 5:45 pm | Fauna of Our Festive Songs

Gain nature knowledge from anywhere you have an internet connection with our free webinars on a variety of topics.

Volunteer Workday Series: Tree Plantings

OCT 4 | 12 pm - 3 pm | Wingfield Pines

OCT 11 | 10 am - 1 pm | Girty's Woods

Support the health and wildlife habitat of some of our most loved green spaces! Join us to plant native trees to support healthy habitats.

Slightly Spooky Mushroom Stroll

OCT 17 | 4 - 6:30 pm | Dead Man's Hollow

Take a slightly spooky stroll exploring the haunted history of the Hollow as we walk along the GAP Trail to the industrial ruins in search of fungi! Costumes welcome!

Historic Walker-Ewing Log House Tour

OCT 17 | 4:30 - 6:30 pm | Historic Walker-Ewing Log House

Tour this historic log house and glimpse into what life was like in the 1700s. We'll learn about historic uses of flora & fauna, and discuss efforts to save nearby land in the Panhandle Trail corridor! Proceeds support efforts to save the land.

Science Stroll Series

OCT 24 | 7:30 - 9 pm | Haunted History of Dead Man's Hollow

DEC 6 | 10 - 11:30 am | Finding Warmth In Winter

Join our education team to learn more about science in nature! In October, we'll explore flora, fauna, and haunted history. In December, we'll explore how insects, mammals, reptiles, and birds stay warm and fed throughout the winter.

Fall Panhandle Ramble

OCT 26 | 10 am - 12 pm | Panhandle Trail near Sturgeon, PA

Enjoy a ~2-mile nature hike along the Panhandle Trail during peak fall colors to a green space ALT is trying to conserve - we'll also explore flora & fauna on the way! Proceeds support the conservation of this land - so join us to help preserve shade, recreation opportunities, and stormwater buffers along the Panhandle Trail!

Virtual Volunteer Meetup Series

OCT 29, NOV 19 | 6 - 7 pm

We are so grateful for our volunteers' work! Join our monthly "office hour" to share upcoming events and thoughts/ideas.

Volunteer Workday: Trash Cleanup

NOV 8 | 10 am - 1 pm | Hickory Hill

Join us on the banks of Big Sewickley Creek for a riparian zone cleanup with Civil & Environmental Consultants and Big Sewickley Creek Watershed Association. We'll clear trash, debris, and invasive plants to prepare for upcoming restoration work!

Composting for Beginners

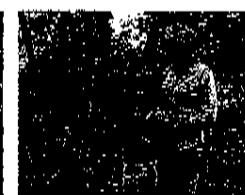

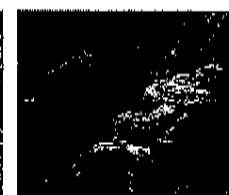

NOV 11 | 6 - 7:30 pm | Giant Eagle Market District Supermarket @ Settlers Ridge

Learn composting's benefits, decide on the best method for you (whether your space is big or small), and learn how to get started! Participants will receive a copy of "Composting for Beginners" and be entered to win a \$100 Giant Eagle gift card.

Educator Workshop: Water Treatment Learning Lab (SOLD OUT)

NOV 14 | 9 am - 3:30 pm | Pgh20 Water Treatment Plant

This immersive, DEP-funded workshop will equip teachers with insights into water quality, treatment processes, and how we protect our vital water resources. We'll also explore trends related to the STEELS standards, climate change, and water education through hands-on learning. Approximately \$100 worth of resources will be given to educators in attendance. 5.5 hours of ACT 48 are available.

Find more information, events, and tickets at this link/QR code: <https://alleghenylandtrust.org/events/>

We also work with groups on personalized volunteer workdays, corporate outings, educator workshops, and other environmental education-related group needs. For more information, reach out: info@alleghenylandtrust.org | 412-741-2750 | alleghenylandtrust.org
