I certify I am a licensed practitioner eligible to request, receive, prescribe and dispense these products in compliance with applicable state and federal laws. If I am a Nurse Practitioner or Physician Assistant, I certify I am authorized and eligible, in the state in which I am now practicing, to request and receive these products and that I have my supervising Physician's approval to do so. I have requested these products for the medical needs of my patients. I will not sell, resell, trade, barter, donate, return for credit or seek third-party (including, without limitation, Medicaid, Medicare, private insurers) reimbursement for them.

Some states require a distribution license prior to accepting pharmaceutical drug samples or complimentary units, unless subject to the exemptions listed in the state laws and regulations. More information on this requirement can be found at the state board website. Your signature on this sample request/receipt serves as attestation that you have the appropriate licensure, if required, or qualify under an exemption under the state laws and regulations.

For Ohio licensed healthcare professionals: the Ohio Board of Pharmacy requires Terminal Distributors of Dangerous Drugs to obtain a TDDD license prior to accepting pharmaceutical drug samples or complimentary units, unless subject to the exemptions listed in ORC 4729.541. More information on Ohio's requirement can be found at <http://www.pharmacy.ohio.gov/PrescriberTDDD>. Therefore, if you are an Ohio licensed healthcare professional who claims an exemption to the terminal distributor of dangerous drug licensing requirement, by checking the box, you attest that you meet one of the licensing exemptions under ORC 4729.541. Your signature on this sample request form serves as attestation and that you have the appropriate TDDD licensure or qualify under an exemption.
